SESSION 16 – CLOSING SESSION (Provisional)*

Inspector's Agenda

1. Opportunity for Maidstone Borough Council to raise comments or questions concerning the Interim Findings on the Local Plan that were issued on 22 December 2016 (Document ED 110).
2. Discussion concerning the employment issues that were raised in the Interim Findings and the further material that MBC is expecting to submit before the hearing.
3. Outstanding issues concerning Minerals Safeguarding Areas and their implications for site allocations in the Local Plan.
4. Run through of comments by the Inspector on the most recent consolidated schedule of Proposed Changes to the Local Plan (January 2017).
5. How the Proposed Changes are to be translated into:
 - a. A schedule of proposed Main Modifications for public consultation and consideration in the Inspector's Report.
 - b. A separate schedule of Minor Modifications that are not material to the soundness of the Local Plan and which would not be referred to in that Inspector's Report but on which MBC may wish to consult.
 - c. The Policy Map changes that may be consequential on the modification of the Local Plan or which are needed to correct factual errors but which would not themselves be the subject of direct recommendations by the Inspector.
6. Programme for completion of the examination.

*(The examination remains open until the Inspector's report is submitted and one or more additional hearings may be programmed if necessary).
