Dear Sirs

BMAT (Registered Charity)

We are a parochial charity whose area of operation is in the parish of Boughton Monchelsea, Kent. Our primary objective is to maintain, enhance and provide informal recreational facilities within a rural environment for the residents of Boughton Monchelsea and neighbouring areas.

We have read the draft Neighbourhood Plan and find its contents and conclusions accord with the Charity's objectives .

The Plans aspirations fully concur with the Charity's aims.

We were fully consulted during the preparation of the draft Plan and are very pleased to see that our views have been reflected in the draft.

Accordingly we fully support the Plan.

Yours Faithfully

Ian Ellis.

(Chairman of BMAT)
